Travelling by car from the Bedford

Follow the A6 into **Luton Town Centre**

- At the 1st railway bridge bear right signposted Dunstable but keep in the left hand lane. This is Telford Way, the A505
- At the next roundabout follow the A505 to the left (the first exit) into Dunstable Road
- Continue along this road (which changes into Stuart Street but is still the A505) for about 600 metres, passing the 'Days Hotel - Luton', where Stuart Street changes into Chapel Viaduct (still the A505)
- At the roundabout go straight over to follow the A505 which changes into Park Viaduct
- Please drive carefully this is a 30mph zone and there are often mobile speed cameras on this road

- At the next roundabout take the 3rd exit into Windmill Road (and you guessed it, yes it is still the A505!)
- Follow Windmill Road to the mini roundabout with the Windmill pub on the corner and take the first exit, left into Kimpton Road
- Follow the road over the bridge and the Wenta offices are in the red brick Building on your right. You will see a Lloyds bank sign and the Wenta offices are just past that within the Luton Chamber of Commerce building
- The car-park for the Wenta offices is at the end of the building just before the DHL warehouse. You will need to park your car at the back of the building and walk around to the front
- Please come through the main Chamber entrance (1st door) and ask for Wenta.

Travelling by bus

From Luton Town Centre:

- Take the number 100 from Luton town centre or number 61 from Luton University in Park Square
- You will travel along Windmill Road to a mini roundabout with the Windmill pub on the corner. You need to get off the bus about 150-200 metres from this point. The bus will go over a bridge that crosses the railway line and at this point you will be approximately 50 metres from the bus stop where you need to get off.
- Where you alight from the bus you will see the Luton Chamber of Commerce red brick building on the opposite side of the road, just before the large DHL warehouse
- Please come through the main Chamber entrance (1st door) and ask for Wenta.

From Luton Airport:

- Press to exit the bus when you reach the DHL building. The bus will stop approx 100 yards after the red brick Luton Chamber of Commerce building on your left
- Walk back in the direction the bus came from towards the large red brick building on your right
- Please come through the main Chamber entrance (1st door) and ask for Wenta.

Travelling by train from Luton Airport Parkway Station

- Luton Airport Parkway station can be seen from Luton Chamber of Commerce building but unfortunately it is about a 20-30 minute walk
- Turn left out of the station and follow Parkway Road about 200 metres until you come to Vauxhall Road on your left
- Take a left into Vauxhall Road and follow it until you come to a T-junction
- Turn left at this T-junction into Vauxhall Way
- You will then come to a roundabout. Go straight on and Vauxhall Way turns into Kimpton Road
- The Wenta offices are in the large Luton Chamber of Commerce red brick building on the left hand side
- Please come through the main Chamber entrance (1st door) and ask for Wenta.
